

Volunteer

Application

Our organization encourages those who support our mission. We are very mindful that we need help to achieve our common goal and at times this will require having our members volunteer for us. For the safety of our LMPD officers at all times, we must take precautions when allowing volunteers to assist us. To achieve that, we require a completed application and background check. The following information will be kept confidential and will only be used in determining volunteer status. We look forward to receiving your completed application.
